

IN THE DRAWINGS

Attached are four (4) replacement sheets of drawings that are intended to replace the drawing sheets submitted with applicants' Amendment B dated April 16, 2004.

Fig. 3 is amended herein to include a solid structure and lead line for reference numeral 8 near the bottom of the page.

Figs. 1, 2, and 4 are identical to those submitted with the previous Amendment and are resubmitted herein so as to provide a full set of replacement drawing sheets with this Amendment.
